Technical data

Quantity:

Centrifugal/axial fan:	*
Direct drive /transmission belts/ flexible coupling:	*
Volume flow (m ³ /h):	*
Pressure: (please specify Static or Total and temp.):	*
Temperature range:	*
Altitude:	*
Air clean/dusty (quantity):	*
Voltage/Frequency:	*
Frequency converter Y/N:	*
Material (FE 360 standard - AISI 304 - AISI 316):	
Explosive Area (ATEX): 2G-2D-3G-3D:	
Application sector:	
Additional technical notes:	

Accessories

Inspection door	<input type="checkbox"/>	Counterflange:	inlet	<input type="checkbox"/>	outlet	<input type="checkbox"/>
casing drain	<input type="checkbox"/>	Flexible joint:	inlet	<input type="checkbox"/>	outlet	<input type="checkbox"/>
AV mounts (shock absorber)	<input type="checkbox"/>					

Supplementary accessories:
